JUDGMENT.

An application to decide and certify the Boundaries of the Land
of Kiikialoa District of Waimea Island of
Kauai having been filed with me on the 8 day of May
1873 by Waldemar Nrudsen

in accordance with the provisions of an Act to facilitate the settlement of Boundaries, &c., approved on the 22d day of June, A. D. 1868; now, therefore, having duly received and heard all the testimony offered in reference to the said boundaries and having gone on the said land, at the request of

records of this matter by me kept in Book No. 109, page 109, and it appearing to my satisfaction that the true, lawful and equitable boundaries, are as follows, viz:

This Boundary being contested, by G. B. Rowell on behalf of the crown commissioners, the Commission of Boundaries after two days hearing finds for the petitioner in regard to the disputed land between the Ad. aiwai and the Pali, said land belongs to Kiikialoa, the commission also finds that the Kula land surrounding Mr. Rowell's land and the church land belongs to Kiikialoa with the fishing right pertaining to the same.
The boundary of this land commences

at a stone called Pohakalani and from thence
 to the Pali (including three Kalopatches)
 thence the Boundary follows the top of the
 Pali down to the sea of Kapapaenawa near
 Mr Knudsen's rice house thence out to sea at
 edge of reef at a place called Kuakali thence
 along reef to a place opposite to Kikiao thence
 inland to a stone at foot of pali, and then
 along foot of pali to place of commencement.

It is therefore adjudged and I
 do hereby decide and certify that the boundaries
 of the said land are and hereafter shall be
 as hereintofore set forth.
